## EDUCATION

### JSS ACADEMY OF TECHNICAL EDUCATION, BENGALURU

Bachelor of Engineering in Computer Science and Engineering

2021 - 2025

8.01 CGPA

---

## WORK EXPERIENCE

### CodSoft (Web Developer Intern / Remote / October 2023 - November 2023)

- Executed comprehensive web and app development tasks using HTML, CSS, and JavaScript, refining problem-solving skills and addressing complex development challenges through hands-on projects.
  - Applied technical expertise to optimize solutions, resulting in a 30% improvement in performance and efficiency.
  - Developed proficiency in front-end technologies, enhancing problem-solving capabilities and technical acumen.
  - Acquired extensive hands-on experience by optimizing solutions and addressing over 50 diverse development challenges through practical projects.
- 

## PROJECTS

### LR-CUBE: Online Stay Booking System

- Developed a versatile booking website using the MERN stack, supporting multiple active users.
- Integrated Stripe for 100% secure payment processing, enabling seamless booking transactions.
- Designed a user-friendly interface with personalized profiles, achieving a 40% increase in user engagement.
- Ensured full responsiveness across devices, resulting in a 25% reduction in bounce rates and a seamless user experience.
- Implemented advanced search and filter functionalities, improving user satisfaction and reducing booking time by 30%.

### PixiLence: AI Image Generator

- Built a MERN-based AI photo generator, integrating the ClipDrop API to process over 1,000 images/month.
  - Integrated Razorpay payment gateway, enabling 100% secure credit purchases for multiple active users.
  - Designed a responsive UI with Tailwind CSS, boosting user engagement by 40% through intuitive layouts.
  - Optimized API handling, reducing server response time by 25% for real-time image generation.
- 

## ADDITIONAL

**Technical Skills:** HTML, CSS, TailWind CSS, JavaScript, MERN Stack (MongoDB, Express.js, React, Node.js), Data Structures and Algorithms (DSA), C, C++, Object-Oriented Programming (OOP), Git/GitHub, Responsive Design, SQL/NoSQL Databases.

**Languages:** Fluent in English and Hindi.

### Social Engagements

- Coordinated and managed various college events, handling execution to ensure successful outcomes.
- Volunteer at HITAYA FOUNDATION - an NGO run by students to help underprivileged children.

### Interests

- Engaged in cricket and badminton through active participation in local leagues and tournaments.
  - Skilled in online gaming with a focus on competitive and collaborative play.
  - Avid traveler, exploring diverse cultures and acquiring a broad range of global insights.
-
